

The background is a vibrant blue gradient with various colorful circles in shades of pink, orange, yellow, and red. Some circles contain faint Korean motifs like a spiral, a heart, and a stylized character. The main title 'KPOP Fest' is centered in a large, stylized font. 'KPOP' is in a bold, blocky, yellow font with a pink-to-orange gradient. 'Fest' is in a cursive, yellow font with a pink-to-orange gradient, overlapping the 'KPOP' text.
